

THE walking classroom

walk. listen. learn.

Active Learning!

Students listen to kid-friendly educational podcasts while walking —they **walk**, **listen**, and **learn**!

- ▶ National award-winning program is used in all types of educational settings (classrooms, afterschool, camps, mentor programs, etc.)
- ▶ Podcasts feature health messages and highlight character values while supplementing core content instruction
- ▶ Complimentary online training and professional development is available

Thank you for creating a fun and engaging curriculum that doesn't waste time or take extra effort. Thank you for aligning to my standards. Thank you for integrating science and social studies topics. Just... thank you.
