

THE walking classroom

walk. listen. learn.

Boost academic engagement while increasing physical activity!

with The Walking Classroom

Students listen to kid-friendly educational podcasts while walking —they walk, listen, and learn!

- ▶ The program is used in all types of educational settings (classrooms, afterschool, camps, mentor programs, etc.).
- ▶ Podcast topics directly align with 4th or 5th grade Common Core but are appropriate for students in grades 3 through 8.
- ▶ Each 15-minute podcast also features a health message and highlights character values, while supplementing core content instruction.
- ▶ Teacher's Guides include lesson plans, discussion questions, and quizzes for each podcast.
- ▶ Program is EASY to implement and complimentary online training and professional development is available.
- ▶ Kids LOVE it!

Demonstrated Results

- ✓ Differentiates instruction
- ✓ Increases physical activity
- ✓ Builds core content knowledge
- ✓ Engages different learning styles
- ✓ Broadens class participation
- ✓ Develops healthy habits
